

**WIA Local Plan Program Years 2013-17
Public Comments Received that Disagree with the Local Plan**

Section 118(c) of the Workforce Investment Act requires Local Workforce Investment Boards (local boards) to publish their local plans for public comment. Local boards should include with their local plan submittal:

- All comments that have been received that disagree with the local plan.
- How the local board considered that input and its impact on the local plan.

Please provide these comments in the following format:
